The Atlas Series travel medical insurance plans from Tokio Marine HCC – MIS Group are available almost anywhere you may travel internationally for vacation, study abroad, business, and mission work. Atlas Essential represents the most economical version of our well-known Atlas Series, while Atlas Premium provides the highest levels of coverage among the Atlas plans.
What Does Atlas Cover?

International Coverage

Emergency Medical Evacuation and Emergency Reunion
Would you know what to do if you found yourself in a life-threatening situation far from home? Tokio Marine HCC – MIS Group is experienced in arranging emergency medical evacuations. Atlas covers eligible expenses necessary to transport you to the nearest medical facility qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas Premium and Atlas Travel cover transportation, lodging, and meal costs for a relative to join you after a covered emergency medical evacuation, up to the lifetime limit.

Repatriation of Remains
What would your family do if disaster struck while you were away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Tokio Marine HCC – MIS Group will arrange for and cover eligible costs associated with the repatriation of your remains.

Return of Minor Children
If you are expected to be hospitalized for more than 36 hours due to a covered injury or illness and covered children under 18 years of age will be left unattended as a result, Atlas Premium and Atlas Travel will cover the transportation cost for the children to return home.

Terrorism
In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, and the country or region you’re visiting is NOT under a level 3 or level 4 travel advisory, the Atlas Series offers coverage for eligible medical expenses resulting from those acts. Coverage excludes countries or regions for which the U.S. Department of State has issued a level 3 (“reconsider travel”) or level 4 (“do not travel”) advisory in the 6 months prior to your arrival date.

Political Evacuation
If, during the coverage period and after your arrival, the U.S. Department of State issues a level 3 or level 4 travel advisory for your destination country, Atlas Premium and Atlas Travel will coordinate your alternate departure arrangements from that country and cover eligible associated costs.

Natural Disaster – Replacement Accommodations
Natural disasters can happen anywhere and at any time. If a natural disaster occurs on your trip, causing you to become displaced from your planned and paid accommodations, Atlas Travel and Atlas Premium will provide relief of a maximum of $250 a day for 5 days to help cover the costs of alternative accommodations.

Atlas* Quality Benefits

Acute Onset of Pre-Existing Conditions
Atlas Travel and Atlas Premium provide a limited benefit up to the medical coverage life-time maximum for eligible medical expenses. If you are younger than 80, you may be covered for an acute onset of a pre-existing condition. This also includes up to a $25,000 lifetime maximum for emergency medical evacuation.

An acute onset of a pre-existing condition is a sudden and unexpected outbreak or recurrence of a pre-existing condition which occurs spontaneously and without advance warning either in the form of physician recommendations or symptoms. Treatment must be obtained within 24 hours of the sudden and unexpected outbreak or recurrence. Chronic and congenital conditions are excluded from coverage.

Hospitalization and Outpatient Treatment
If a covered illness or injury requires hospitalization, the plan provides coverage for costs associated with hospitalization, including intensive care unit and outpatient treatment.

Sports
Atlas includes coverage for eligible injuries and illnesses that could occur while participating in many popular vacation sports- skiing and snowboarding (recreational downhill and/or cross country), snorkeling, water skiing, and others- at no additional cost. Certain extreme sports are excluded from coverage.

Complications of Pregnancy
Atlas Premium and Atlas Travel offer coverage for complications of pregnancy during the first 26 weeks of gestation.

Crisis Response
Atlas Travel offers up to $10,000 per certificate period (or up to $100,000 if ***additional coverage is selected) to offset kidnapping costs associated with kidnapping such as ransom, crisis response expenses, and loss of personal belongings. This benefit includes access to the services of Unity Crisis Group for advice, coordination with law enforcement, and negotiations during a kidnapping.

Personal Liability
Atlas Travel offers up to $25,000 per certificate period ($100,000 for Atlas Premium) to offset the following types of court-entered eligible judgments or approved settlements incurred by the member:

- Third-party injury;
- Damage/loss of a third party’s personal property;
- Damage/loss of a related third party’s personal property.
